

# Poison Patrol

Poisons are all around us. **What is a poison? What is not a poison?**

*A poison is something that can make you sick if you eat it or touch it.*

Colour the things you can eat or drink.

Put a **red X** through the things you should not eat, drink, or put into your mouth.

ANSWER: Red X should go through the following items: Alcohol, batteries, cigarettes and e-cigarette, cleaning supplies, medicine, and plant.

In case of an emergency, call  
**POISON CONTROL CENTRE**  
**1-866-454-1212**
