

Supporting Parents

WEBINAR SERIES

The Supporting Parents Webinar Series focuses on topics to help parents and caregivers learn how to create environments that help children thrive.

Interactive activities are used to share strategies and tips for raising healthy, safe, and happy children.

These webinars can be used as part of parenting groups or can be used by parents and caregivers on their own.

Topics cover a wide variety of information about child health and development and parenting.

Supporting Parents Webinar Series

The Saskatchewan Prevention Institute's mandate is to help all children thrive through primary prevention and the promotion of well-being.

Check out our website for a wide range of resources to support parents, caregivers, families, and those who work with them.
