

Pregnant?

Sexually transmitted infections like **HIV** and **syphilis** can be passed to babies during pregnancy.

With treatment and prenatal care, pregnant people can have healthy pregnancies and healthy babies.

If you or your partner are pregnant, ask your healthcare provider about testing and treatment.

Get tested. Get treated.

saskatchewan
preventioninstitute
our goal is **healthy** children

www.skprevention.ca

The Saskatchewan Prevention Institute provides services to all those living on Treaty Lands 2, 4, 5, 6, 8, and 10, and the homeland of the Métis. The Saskatchewan Prevention Institute is dedicated to moving forward on a shared path of reconciliation and partnership. We are all Treaty people.
